SUBJECT: FISpT and UESpT

Dear Professor Ascani,

I am writing on behalf of the FISpT, International Sport for All Federation, officially recognized by the IOC – International Olympic Committee in order to inform you that we have seen the latest communication and documentation published on this website: <https://www.fispt.eu/>

On this website, without any permission of the FISpT, it is written that you and few people had created an EGM, stating that you have elected a new Board of Directors, stating that you have been elected as President of the Federation, stating that Mr Igor Lanzoni has been appointed as General secretary.

I must inform you that the above-mentioned General Assembly has not been correctly called according to the statutes, no member was invited, and it cannot be considered in any way as legally binding for our federation.

On the 11th of October, in Bahrain at the Gulf hotel, the official General Assembly of the FISpT has been held correctly with 54 countries from all over the world.

The AGM had the opportunity to elect the new BoD of FISpT, composed by 16 members including me, the new elected president of FISpT.

International Sport for All Federation (FISpT)
Fédération Internationale du Sport pour Tous (FISpT)

The AGM was organized perfectly under the auspices of His Highness Sheikh Khaled Bin Hamad Al Khalifa, First Deputy Chairman of the Supreme Council for Youth and Sports, Head of the General Body of Sports, President of the Bahrain Olympic Committee.

As Vice president of FISpT, vice president of Europe and president of the UESpT - European Sport for All Federation, it was elected Mr Michele Barbone.

Elected as first vice president Dr. Ahmad Saad Alsharif, Vice president for Asia Prof. Dr. Haruo Nogawa, vice president for Africa Emad Albanani and General Secretary Mr. Mohamed Abdulkhaliq Aldelawar.

I am writing to you in order to inform that you must withdraw immediately any activities on behalf of FISpT, giving immediately back the control of the website, social media account and communications channel. At the same time, as decided by the AGM, we are asking you to immediately stop any activities as president of the UESpT, giving back immediately all the materials relating UESpT, including the social media, the URL and the website access.

I would like to make you aware that in the next five days, we will ask to official attorney to send a formal letter, and, in case of any other follow up, we will immediately start, as agreed with the IOC offices, the legal action in front of the CAS to grant our rights.

I really hope that it will not be necessary, being aware that the General Assembly is the unique and only governing body of our federation, and it has already taken a strong and formal decision on the governance of our federation.

FISpT is registered in the Kingdom of Bahrain and follow, for this reason, the legal decision of the authorities of the Kingdom of Bahrain. The authorities of the Kingdom of Bahrain already acknowledge the election of myself and FISpT is going to take all the legal steps to preserve the democratically decision of the members.

Thanks, and regards

Bahrain, October 23, 2022
