Dear UESpT (Union Européenne du Sports pour Tous) Members,

Thanks for coming in Italy and to have taken part to the election of UESpT (Union Européenne du Sports pour Tous).

We are informing all of you that the results of the election are the following:

- President: Michele Barbone
- Vicepresident: Anita Pariani
- Vicepresident: Veneta Petkova
- Treasurer: Niki Machaira
- Secretary general: Arturo Steffe
- Board member: Oleksandra Boliak
- Board member: Marco Zerbini

This will be the Board of Directors of the UESpT (Union Européenne du Sports pour Tous) till the next election.

The members have also decided to update the statutes and move the headquarters to the MIDAS offices (via Giordano Bruno, 118, 1° piano int. 4- 47521 Cesena (FC)).

After the decision of FISpT (Federation Internationale du Sport pour Tous) to expell UESpT (Union Européenne du Sports pour Tous) and to remove the recognition to UESpT (Union Européenne du Sports pour Tous) with a presidential act in 2022, there were no continental union rapresenting FISpT (Federation Internationale du Sport pour Tous) in Europe.

In the election held in the Kingdom of Bahrain, Mr Michele Barbone, vicepresident for Europe, was appointed as commissioner for Europe with the mandate to establish a new continental union under FISpT (Federation Internationale du Sport pour Tous).

The assembly held in Rome, after a discussion, decided to do not create a new continental registered body but to work and act as a steering committee under FISpT (Federation Internationale du Sport pour Tous). They will continue to use the name UESpT (Union Européenne du Sports pour Tous) with a new statutes and new communication channels.

The old continental association, even if it was eventually registered by the previous management, is no more entitled to represent FISpT (Federation Internationale du Sport pour Tous) in Europe. UESpT (Union Européenne du Sports pour Tous), as a steering committee of the FISpT (Federation Internationale du Sport pour Tous) members, will start the activities in Europe with the new year.

The assembly, at the same time, agreed to give mandate to the board to work on a new statutes as the actual one, even if it is changed, it is not yet adequate for a modern sport organization.

The assembly was closed with the approval of the new activities and the approval of the new social medias, including the new websites.

The members decided to maintain the old UESpT (Union Européenne du Sports pour Tous) logo.
